

The Vineyard Condominium Association

MARCH 2023 NEWSLETTER

Pressure Washing of Sidewalks

Please be advised that the Association will have a vendor on property tomorrow, **Wednesday, March 29th through Friday, March 31st** to pressure wash the sidewalks within the community.

The vendor may need to use your water to complete this project. If you have any noticeable increase in your water bill, please let us know. Thank you for your cooperation as this work is completed.

Parking Rules

Please remember the following parking rules for the Association.

1. Each unit has been assigned 2 specific resident parking spaces.

It is the responsibility of residents to notify their visitors, workmen and guests to park only in the resident's assigned spaces or in

spaces identified for use by guests. **Therefore, residents should only park in their assigned spaces and not in guest parking.**

2. Any resident or visitor who continues to be in violation of the rules and regulations pertaining to parking of vehicles, will be subject to having the offending vehicle(s) towed at the owner's expense. Please park in designated areas only.

3. Repairing or servicing of vehicles on the property is not permitted, except for minor repairs of a non-commercial passenger vehicle may be parked overnight on any lot or on the common area except in those areas that may be specifically designated and set aside for such purposes. This includes boats, trailers, broken down vehicles, etc.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.thevineyardcondos.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

No Parking on Grass/Common Areas

Please be advised that **no parking is permitted on the grass or common area within the community** unless it is within a designated parking space or area. If you park in areas not designated for parking, you may cause damage to the common area including the underground septic tanks and drain fields. Any damage caused to the common area will be at the owner's expense. Therefore, the Board asks for your cooperation in this matter.

Owner Access Platform

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

We encourage everyone to utilize the new on-line access platform by using the following link:
<https://owner.topssoft.com/DWDProfessionalManagement/Account/Login>.

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. **If you have not already provided your email, please email your information to info@dwdpm.com** and include your community's name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

If you received the registration email but the time has expired and you are in need of a new registration email, please contact

our office by email at info@dwdpm.com with your request. Please make sure to include the email address you want us to use and we process a new registration email for you.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

Noise Issues - Please be Respectful to Your Neighbors

Please be aware that Orange County Sheriff's Office does not have any set time for enforcing noise complaints. The Disturbance of the Peace Statute is enforceable any time of the night or day. If a resident feels that his or her peace is being disturbed, all he or she has to do is call the Sheriff's Department to file a complaint. Once that is done, the Orange County Sheriff's Department will send an officer to request that the

responsible party tone down their gathering. If a second request is made concerning the same disturbance, the responding officer may arrest the responsible party. Please be considerate and respectful of your neighbors so that the Sheriff's Department is not needed to handle these types of situations. We greatly appreciate your cooperation in this matter.

Monthly AC Filter and Septic Tank Maintenance Reminder

Please note that per your community's governing documents, the air conditioning units and the septic tanks are the property of the unit owner. This means the maintenance of the AC units and the septic tanks are the responsibility of the owner, not the Association.

AC Maintenance: Please remember to change the AC filter monthly. If the filter is not replaced, this may cause the unit to freeze. Also, the drain pan and drain line must be inspected on a monthly basis as well. Mold and algae will grow in the drain lines, eventually clogging these lines. This will cause the condensation water to overflow the drain pan and spill onto the floor of your unit.

In order to prevent this problem, it is recommended that you pour 2 (two) ounces of household bleach or 2-4 (two to four) ounces of white vinegar down the drain line every month as you change

the filter. This will ensure uninterrupted usage of your AC unit, and help prevent costly damages to your home or your neighbor's home.

Septic Tank Maintenance:

Also, please treat your septic system monthly with Rid-X. In addition, you should also have the septic tank inspected every three years and pumped when needed.

Secure Your Valuables

Please ensure your cars are locked at night, and that all valuables that do not need to be in your car are removed on a nightly basis. If you notice anyone suspicious within the community, please call the Orange County Sheriff's Department at 407-836-4357.

The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.

Towing Company

Please be advised that the Board has contracted with a towing company for the community. The towing company is **BJ's Towing Service, Inc.** Please see their address and contact information below:

BJ's Towing Service Inc.
670 E. Mason Avenue
Apopka, FL 32703
Phone: 407-886-0568
Email: bjstowing@centurylink.net

Please ensure that you park your vehicles in your assigned parking spaces, and that you are not illegally parked. If you have any questions or concerns, please feel free to contact the management office.

Architectural Review Change Procedures

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you would like to make any changes to the exterior of the unit, including landscaping changes (i.e., adding landscape edging or potted plants), or if you intend to make any structural changes to your property (i.e., screen enclosures or door/window replacements), then you will need to fill out the Architectural Review Board (ARB) application. An application must be completed and approved by the Board of Directors before any project may begin.

*****Please be advised that the exterior of the unit, including landscaping, belongs to and is maintained by the Association. Therefore, you may NOT remove or add items to this area without Board approval.**

These applications will always be available on your community's website and they are included in this monthly newsletter (please

see below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARB remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the Board of Directors. Per Florida Statutes, this process may take up to 30 days.

As soon as the Board makes a decision, we will mail you a letter of approval or denial. Please make sure you do not proceed with any improvements until you receive your letter of approval. I hope this helps everyone understand the Architectural

Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Vendors on Property

The Board would like to remind residents that vendors who perform work on the property report directly to the Board of Directors. Therefore, please do not interact with any vendors hired by the Board while they are completing their work within the community. If you have a concern or question about a vendor, please contact the management office. Do not approach vendors for any reason or request that they complete additional tasks. The vendors work for the Association and the Board has hired them to complete specific tasks. They may not work outside of their contract or be given additional instructions unless authorized by the Board. Thank you for your cooperation with this matter.

Dumpster Information

Please be advised that the dumpster is only for the use of owners and their tenants.

Furthermore, the dumpster is there for the disposal of normal household waste. **The dumpster may not be used for the disposal of construction materials such as mattresses, cabinets, tile, or paint. It is also not for the dumping of furniture of any kind.**

It has come to the Board's attention that residents are using the dumpster for these types of materials and this is strictly

prohibited. If you see anyone dumping these types of materials, please contact the management office immediately.

Anyone found using the dumpster for prohibited material will be charged for the cost of removing and transporting the material to the County dump.

In addition, please be advised that when residents overflow the dumpster, the garbage trucks cannot dispose of the waste and it costs the Association additional dumping fees. We are asking for everyone's assistance in keeping the community clean and dumping garbage appropriately.

Finally, the Board is considering placing a combination lock on the dumpster gate in order to keep non-residents from using the dumpster. We will keep you posted regarding this issue. Thank you for your cooperation.

Dogs Must Be Leashed

Per the Community's governing documents, animals are not allowed to roam free at any time. Therefore, please keep your pets on a leash while walking them through the neighborhood.

This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others.

It is also extremely important that your dog is on a leash for the protection of other animals and

for the protection of people (especially children) who may encounter your pet within the community. Keeping your dog on a leash is also a protection for your pet since it safeguards them from dangerous situations.

If you see a dog unattended within the community, please notify **Orange County Animal Control** at the following number: **407-836-3111**. Thank you for your understanding and cooperation in this matter.

Please Drive Safely

It has been observed that some of the residents and visitors are driving way too fast in the community. The posted speed limit in the community is **10 miles per hour**. Anyone caught speeding may receive violation letters for these activities. Therefore, please drive with caution using the appropriate speed throughout the community for your safety and the safety of your neighbors. Thank you for your cooperation and understanding concerning this matter.

Procedure for Reporting Maintenance Issues

If you are renting your unit in the community, please be aware that **all maintenance issues should first be reported to your landlord or property management company**. Your landlord or property management representative should then contact the community management office to make arrangements for the repair. If you are an owner in the community, please contact the community management office to report any maintenance concerns or issues. We will help you determine if the repair is your responsibility to correct or if it is the responsibility of the Association.

Finally, please remember that the community management office is not open over the weekend or during national holidays. If you have a maintenance emergency during a weekend or during a holiday, you may leave a message and the community management staff will contact you on the next business day. By following these guidelines, you will greatly assist the staff in providing more efficient service. Thank you for your cooperation in this matter.
